SOUTHERN PIEDMONT WOODTURNERS

“Advancing the Art of Woodturning Through Education”

APRIL 2017

Page 1 of 1

Open Studio : 10:00 am – 4:00 pm
April 8, 2017

Take this opportunity to come out to the studio to mentor or learn from others. The other Clearwater Artist Studios will be opened so the public will be coming in during the day. This is a great opportunity to speak with visitors, talk about what we do and invite them to come out to a meeting.

Regular Meeting: 6:30 pm – 9:00 pm
April 18, 2017

For our meeting in April, Rick Erkes will be sharing what he has learned in almost 20 years of turning. His primary goal is to share thoughts on tools/accessories that work versus those that are a waste of money - simple jigs that you can make that save time and money. Ric will spend time showing how to effectively use a bowl gouge, talk about how he sands bowls versus vases and the simple finish he applies. Time permitting, he will also share some simple techniques for fluting, chatter marking, and carving. In one word the demo is all about ideas.

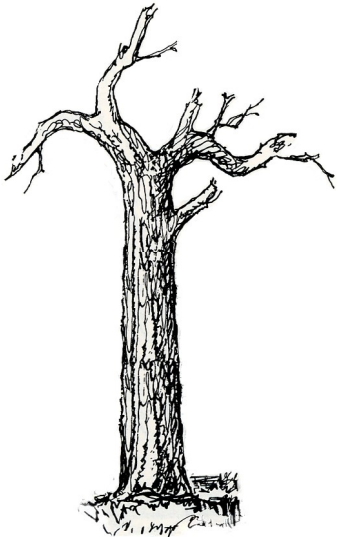

Don't forget to look around your shop and bring any raffle items in that you would like to donate to the club. Please feel free to invite someone that you think might be interested in woodturning or a night
